AKHROR SULAYMANOV

Software engineer with a primary focus on web, and frontend development. I have been working with Javascript and its ecosystem - React js, Redux, Next js, and TypeScript for 3+ years.

Besides frontend development, I possess good knowledge of algorithms and data structures. I am a curious, fast learner, an open-minded developer with a passion for working with a friendly team on challenging/interesting projects

------ EXPERIENCE ---

React Developer - *01/2024 – Present (9 months)*
University of Tashkent for Applied Sciences -- *Tashkent, Uzbekistan*
